PORTUGUESE TART TOWER

DRESSED WITH A FLOATING CLOUD OF SPUN SUGAR (LARGE AND XL) , THE SWEET BELEM TART TOWER IS AN IMPRESSIVE SPECIAL OCCASION TREAT. *Please note that due to the nature of the spun sugar and its tendency to melt/soften (esp in the hotter & humid months), the tart tower has a short window for prime consumption before it loses its integrity. Be sure to pick this item up on time and enjoy it as soon as possible.*

Small (20 tarts) \$6 / tart
dressed with chocolate strings and fruit

Large (45 tarts) \$270
topped with spun sugar

Extra Large (90 tarts) \$540
topped with spun sugar

At Sweet Belem, we don't allow any changes to our products. The items we sell in our shop and on our website are sold as they are. Our menu includes ingredients that may cause allergies, and it is prepared in a kitchen that also handles nuts, gluten, and eggs. Although we make every effort to accommodate dietary requirements, we cannot guarantee that our food will be completely free of allergens.
